Qallunaat! Why White People Are Funny I Mark Sandiford

https://www.nfb.ca/film/qallunaat_why_white_people_are_funny/

This documentary pokes fun at the ways in which Inuit people have been treated as documentary subjects by turning the lens onto the strange behaviors of *Qallunaat* (the Inuit word for white people). The term refers less to skin color than to a certain state of mind. A collaboration between filmmaker Mark Sandiford and Inuit writer and satirist Zebedee Nungak, *Qallunaat!* brings the documentary form to an unexpected place in which oppression, history, and comedy collide.
